Ray,
The Schrade homestead across from St.Peters Lutheran Church is now rental property. Perhaps the gate was locked.
Your contact was John Dreier. His telephone number is 361-645-3311.
I have copied him on this reply.

Subject: Question on Schrade well
Art,

I do not remember the name of the inspector who took me around to inspect the human water source wells in the immediate area back in August 2011. For some reason that escapes me we did not inspect the Schrade well I am hoping you might recall who that inspector was and how I can get in touch with him. Thanks.
